

Employee Meal Service

We are making some changes to our employee meal service process. See below and let us know if you have questions!

We are making a small adjustment to our lunch and dinner service process to better support both staff and residents. No change to breakfast service.

New Location for Lunch/Dinner Meals:

Health Center – LTC Dining Room

Service Times (unchanged):

Lunch: 12:30 PM – 1:00 PM

Dinner: 5:30 PM – 6:00 PM

Salad / Soup & Sandwich Combos:

Please place orders using the clipboard located outside the kitchen near the time clock. There will be a menu and options.

Sign up by 10 am for lunch and 3:30 pm for dinner service!

Ticket Reminder:

Hot bar = 1 ticket

Salad = 1 ticket

Soup & Sandwich = 1 ticket

This is not a new process, but one we will be consistently enforcing.

Pick-Up Process:

All meals (including pre-orders) must be picked up in the Health Center – LTC Dining Room during service times.

Please have your ticket ready to exchange for your meal.

Entry & Courtesy Reminder:

Please enter through the door near the back. As you walk through the Health Center, be quiet and respectful, as residents may be resting or napping after their meal.
